ADMIRAL RUFUS L. TAYLOR Deputy Director Central Intelligence Agency Washington, D. C. 20505

Dear Admiral Taylor:

JTB:HFS

As a member of the Brookings group which visited your establishment last Friday, I wish to express my appreciation for the time which you and your staff devoted to our education.

Needless to say the group reaction to your presentation and panel discussion was most favorable, especially as related to the dedication and competence of all participants.

I particularly enjoyed the opportunity to talk with you during the luncheon.

Sincerely yours,

Director

Transmission Technology Laboratory
